

Community Futures South Central AGM

Guest Speaker
Eric Anderson
(Prosperity Saskatchewan)

Eric will speaking on the future of the Mining, oil and gas industry and those projects already happening within and adjacent to our region. Come hear the plain energetic talk and learn what these pillars of Saskatchewan's economic renaissance could mean to you.

Eric Anderson's commentary "Prosperity Saskatchewan", provides daily background items and news— in layman's terms—on Saskatchewan's mining, oil, and gas sectors. "Prosperity Saskatchewan" is in its third season with over 600 unique episodes being aired. Eric can be heard during John Gormley Live—at 9:15 am, on News/Talk 980 Regina and other Rawlco Radio stations across the province.
